MINISTRIES

## Our Mission

Gull Lake Ministries exists to exalt Jesus Christ, proclaim the Word of God, encourage personal commitment to Christ, share God's work around the world, and provide opportunity for physical refreshment and spiritual renewal.

## Our Vision

Our vision is to impact lives for Christ by providing individuals, families, and organizations with the highest standard of Christian programming, Christ-like hospitality, and excellent conference facilities.

---

## Relax, Connect, and Grow at Gull Lake Ministries!

Would your church group, business, or family benefit from a relaxing getaway to a gorgeous, spring-fed lake in southwest Michigan? Could you use some time to build stronger connections while bowling, climbing, or simply enjoying great food and conversation? Then Gull Lake Ministries is the place for you!

Nestled on the shores of beautiful Gull Lake, our staff, facilities, and amenities are available late August to early June for **retreats**, **day meetings**, and **banquets**. Our guests enjoy the amenities of a resort, the benefits of a conference center, and Christ-like hospitality!

In the summer we host nine weeks of Family Camp—a relationship renewing, heart-pounding, get-away-from-it-all “vacation with a purpose” for families with kids from newborns to teens! GLM also features programmed events and conferences throughout the entire year for adults and families! See our events calendar online at [www.gulllake.org](http://www.gulllake.org) to learn more about how we can serve your needs!

We're just a quick trip from Chicago, Detroit, Indianapolis, or Grand Rapids and the whole team of joyful professionals at Gull Lake Ministries is here just waiting to serve YOU!

# Overnight Accommodations

Gull Lake Ministries offers a variety of overnight accommodations for groups of 10 to 425. Guests may choose to use a specific facility or an assortment of accommodations, based upon budget and availability.

## **Condo-Style Units:**

We have a total of 51 rooms in seven separate condo units, five of which are waterfront. These beautifully decorated facilities rival the quality and amenities found at many resorts. Each condo unit offers a large great room featuring a living room (most with gas fireplaces), dining table, and some kitchen facilities. They offer anywhere from four to nine separate overnight rooms, each with a private bath and space for two to six guests in either king, queen, bunk, or twin beds.

## **Fellowship Center:**

Our Fellowship Center has 25 guest rooms, many with a beautiful view of the lake. Each room has either one king or a combination of queens, twins, and bunks. The rooms each have their own private bath and are fully furnished. Guests of the Fellowship Center have shared access to several living areas and board games. Our main dining room is located in the Fellowship Center.

## **Cottages:**

Gull Lake Ministries has 23 winterized cottages, each with two to six overnight rooms. These cozy and comfortable facilities are free standing and private. Most cottages have kitchen facilities, living and dining areas, and full baths. They are ideal for a long weekend stay or a full week of rest and relaxation!

## **Youth Dorms:**

For the “real” camp experience, our dorm accommodations sleep 12–16 in bunk beds. Each unit offers some living space and full bathrooms. These facilities are great for youth and young adult retreats. Unlike our other facilities, guests must bring their own pillows, linens, and towels.

# Meeting Space

Gull Lake Ministries has the facilities, equipment, and staff support to make your event a success! From small, day-group meetings to large, week-long events, GLM has your needs covered. Our meeting spaces range from informal living room settings complete with fireplaces, to lakeview rooms, to spacious meeting rooms with wireless Internet. Groups reserving meeting space with a minimum of 20 overnight guests will receive one complimentary meeting room.

Additional space, beyond the complimentary meeting room, will incur a charge based on current rates. Gull Lake Ministries reserves the right to assign and change meeting space as necessary.

## Audio/Visual

All of our meeting rooms have a variety of audio/visual capabilities, from one microphone for announcements and speaking to full sound systems with wireless handheld and lapel microphones, LCD projectors, DVD players, and MP3 player hookups. Some have free wireless Internet.

## Dining

Meal service\* is available in our dining room for groups meeting the 20-person service minimum. Our Executive Chef and Culinary Team offer breakfast, lunch, and dinner buffets to please any palate. The breakfast buffet is served at 8 a.m. and includes a variety of cold and hot options. The lunch and dinner buffets are served at 12 noon and 6 p.m. and include a full salad bar, chef's choice entrée(s), vegetable, side dish, and dessert selection.

\*Special dietary need meals are available upon request with prior notification.
