

## Gull Lake Ministries Family

## Vacation Scholarship Program

Thank you for your interest in attending a Family Vacation at Gull Lake Ministries! Our mission is to exalt Jesus Christ, proclaim the Word of God, encourage personal commitment to Christ, share God's work around the world and provide opportunity for physical refreshment and spiritual rejuvenation. If you feel you are in need of refreshment and family renewal, but you need financial assistance to make it happen, please consider applying for a scholarship.

The Gull Lake Ministries Family Vacation Scholarship is made possible through the donations of generous and caring people who have experienced Gull Lake and understand the valuable impact a week of family camp can have on a family.

### HOW YOU CAN APPLY

1. Please prayerfully consider the amount you can personally contribute to the cost. (It is expected that you would contribute as much as you possibly can toward the cost of family vacation; an installment payment plan is available.)
2. Help us understand your situation by filling out the 2019 Scholarship Application completely. Fill out the application online and return via email ([scholarships@gulllake.org](mailto:scholarships@gulllake.org)), fax (269-671-4090) or mail (1988 Midlake Dr Hickory Corners, MI 49060).
3. A member of our staff will contact you with information on your scholarship approval.

### SCHOLARSHIP FAQs

**Who is eligible?** Our scholarship fund is designed for military, ministry and in-need families. Military families with one parent deployed overseas will be given top consideration for scholarships. We especially encourage new families (who have never come to Gull Lake Ministries before or who have not received a scholarship in the past) to apply. Applicants who have received assistance in the past may be eligible for a scholarship again. Full-time Pastors are eligible for the Pastor's Discount; please contact 269-671-5155 ext. 204 for more information on this discount.

**Where does the money come from?** Our scholarship fund is provided through generous donations.

**Does it cover ALL costs?** We expect each family to contribute as much as they can towards the cost of family camp. We weigh each family's need (using the government poverty criteria), current situation, past attendance, and our available scholarship funds to provide each family with as generous an offer as we can. Any portion not covered by scholarships must be paid for by the family.

**Will I definitely receive a scholarship?** Unfortunately we cannot guarantee that your family will receive assistance. We can guarantee that we will thoroughly and prayerfully consider your family's application. Because we do not have unlimited funds to dispense, each family needs to do all they can do to contribute towards the cost with an understanding that other applicants may be in even greater need.

**Will I get the week and accommodations I want?** Maybe. The dates for family camp and housing are based on availability. Lower attendance weeks are designated for scholarship use. Other housing restrictions may apply to your scholarship and they will be clearly outlined to you if you receive a scholarship.

**When can I apply?** Scholarship applications will be accepted beginning January 1<sup>st</sup>, 2019. Scholarships will be awarded when funds are available which could be as late as the end of May. We will continue to accept applications until our funds are depleted.
